Dear Raoul,

Following nomination by the International Association of Applied Psychology (IAAP) Division 16, Counselling Psychology, I am writing to invite you to participate in the 27th International Congress of Applied Psychology (ICAP) to be held in Melbourne, Australia from July 11 – 16, 2010 (see www.icap2010.com).

I am writing in my capacity as Chair of the Scientific Committee for ICAP 2010 which is hosted by the IAAP and the Australian Psychological Society (APS). ICAP is the premier international forum for applied psychology, and attracts around 2,500 to 3,000 psychologists, research scientists and other healthcare professionals from around the globe.

The Division has nominated you to organise a symposium, titled *Life designing: A paradigm for career construction in the 21st century*.

The Symposium is designed to be a focused session in which speakers present on a common theme, issue or question. A symposium session runs for 90 minutes.

In order for the Organising Committee to facilitate your involvement in ICAP 2010, we require the following from you:

- **PHOTOGRAPH & BIOGRAPHY:** For promotional and marketing purposes, please upload your photo and bio via the Invited Speaker online submission form via the link below. The photo and biography may be used on the Congress website, email blasts and in the final program. The deadline for submitting your photo and bio is **Monday 25th January 2010**.
- **ABSTRACTS:** As we have already received your abstract via the submissions system, once you complete the form below, we will move the abstract to your Invited Speaker account.
- **CONFIRMATION:** You must confirm your attendance as a presenter on the Invited Speaker online submission form via the link below no later than **Monday 25th January 2010**.

To support you in your preparation for your presentation, arinex have been appointed to assist you with all matters associated with your congress participation. Please feel free to contact arinex concerning session details, requirements or any other enquiries on icappresenters@arinex.com.au.

Once confirmation has been received, arinex will send you the link to the speaker's registration form.

We thank you for considering this invitation and look forward to having you join us in Melbourne and working with you towards a successful Congress.

Yours Sincerely

Professor Michael Kyrios
Chair, Scientific Program
