

**NEWS 1-2012**

February 1st, 2012

To all Members of ESVDC

Dear Colleagues, Dear Friends,

As you remember, the European Society for Vocational Designing and Career Counseling ESVDC has been founded on September 10th, 2011 in Padova (Italy). Enclosed you will find the final form of the **statutes** as approved by the Founding Assembly.

According to the list of goals and actions 2011-2014, which has also be approved by the Founding Assembly, your Executive Committee is now progressing step by step.

As a Founding Member or a person who has recently expressed his or her interest for joining ESVDC as a Full or as an Associate Member, we would first ask you to ensure that our database is correct. Please forward any corrections and your answers to our three further questions by the **completed form** to the treasurer of ESVDC ([jeanluc.bernaud@cnam.fr](mailto:jeanluc.bernaud@cnam.fr)).

The creation and design of ESVDC's **web-site** is under way. It will include facilities for contacts and exchange of news among members and with your Executive Committee. The site should be available through <http://www.esvdc.org> at the end of February 2012.

As a next step we will try to create, with your support, a list of young researchers in our discipline. Younger colleagues, having just achieved or being about to achieve their doctoral degree, should be **our target group** for activities of scientific exchange programs, invitations for scientific meetings from 2012 to 2014, as well as for coaching or training by experienced researchers and experts in our field.

The General Assembly of the year 2012 is foreseen to take place before the IAIEVG/AIOSP Conference in the early afternoon of **October 3rd, 2012 in Heidelberg** (near Mannheim) in Germany. More detailed informations will be available on our website ([www.esvdc.org](http://www.esvdc.org)) as soon as possible.

Finally, we kindly ask you to pay your 2012 annual **membership fee** (€ 50.- for full members, € 30.- for associate members) before March 31st, 2012 to the Bank Account of ESVDC at CREDIT SUISSE, EPFL, CH-1015 Lausanne (Switzerland) through IBAN : CH44 0483 5137 5350 0100 0 and SWIFT/BIC : CRESCHZZ80A. Many thanks in advance !

We look forward to see you soon in 2012 and send you our warm regards

Laura Nota  
Secretary ESVDC

Jean-Pierre Dauwalder
